ORDER

JESSE M. FURMAN, United States District Judge:

Unless and until the Court orders otherwise, the parties shall appear for a conference in this matter on **August 20, 2020**, at **9:30 a.m.** Counsel are directed to confer and, **within two business days of this Order**, submit a joint letter indicating their views on whether the conference is necessary or if it should be adjourned (and, if so, for how long). In the event that counsel think a conference is unnecessary, the parties should address in their letter any issues that would have been addressed at a conference. If appropriate, the parties may submit a proposed order for the Court's consideration.

If either party believes that there is a need for a conference, counsel should indicate their views on whether the Court can, consistent with the Constitution, the Federal Rules of Criminal Procedure, the CARES Act, and any other applicable law, conduct the conference by telephone or video and, if applicable, whether the Defendant consents to appearing in that manner and/or to waiving his/her appearance altogether. Counsel should also indicate whether the Defendant would be capable of participating in a telephone or videoconference.

After reviewing the parties' joint letter, the Court will issue an order indicating whether the conference is cancelled and addressing any other relevant deadlines and information. If a conference is held, it will either be held before a different judge or be held by telephone or video, and in either case may be held at a different time. To that end, if counsel believe that a conference would be appropriate, they should indicate in their joint letter dates and times during the week of the currently scheduled conference that they would be available. In the event that the conference is held by video or telephone, counsel should review and comply with the Court's Emergency Individual Rules and Practices in Light of COVID-19, available at <https://nysd.uscourts.gov/hon-jesse-m-furman>.

SO ORDERED.
